LUCY TAMAR COOK
1957-1973

The class of 1975 remembers with sorrow the sudden death of Lucy Cook. Lucy's warm, considerate and resourceful personality will never be forgotten. As long as we live, Lucy lives. She will always hold a place in the hearts of us all.

The background of the entire page is a dense, intricate pattern of bare tree branches, likely from a deciduous tree in winter. The branches are dark and silhouetted against a light, slightly textured background, creating a complex web of lines that fills the frame.

KEEP YOUR HEAD TO THE SKY

Keep your head to the sky
Believe, follow, and know
Don't ever falter or look down
But face upward, forward, and
Forget not your brother.

Keep your head to the sky
Be like the sun and richly shine
Generate a light of hope over all the
Living things you encounter
And, like the sun, be there even in
The gloomy cloudiness of life.

Keep your head to the sky
Be like the rain and touch everything
Nourish your life and the lives of others
Let all the love and knowledge within you
Flow forth freely and unselfishly.

Keep your head to the sky
Be like the moon and the stars
Which alone shed light in
The darkest of nights
Illuminate dark lives, young and old.

Lauren Greene
Class of '75

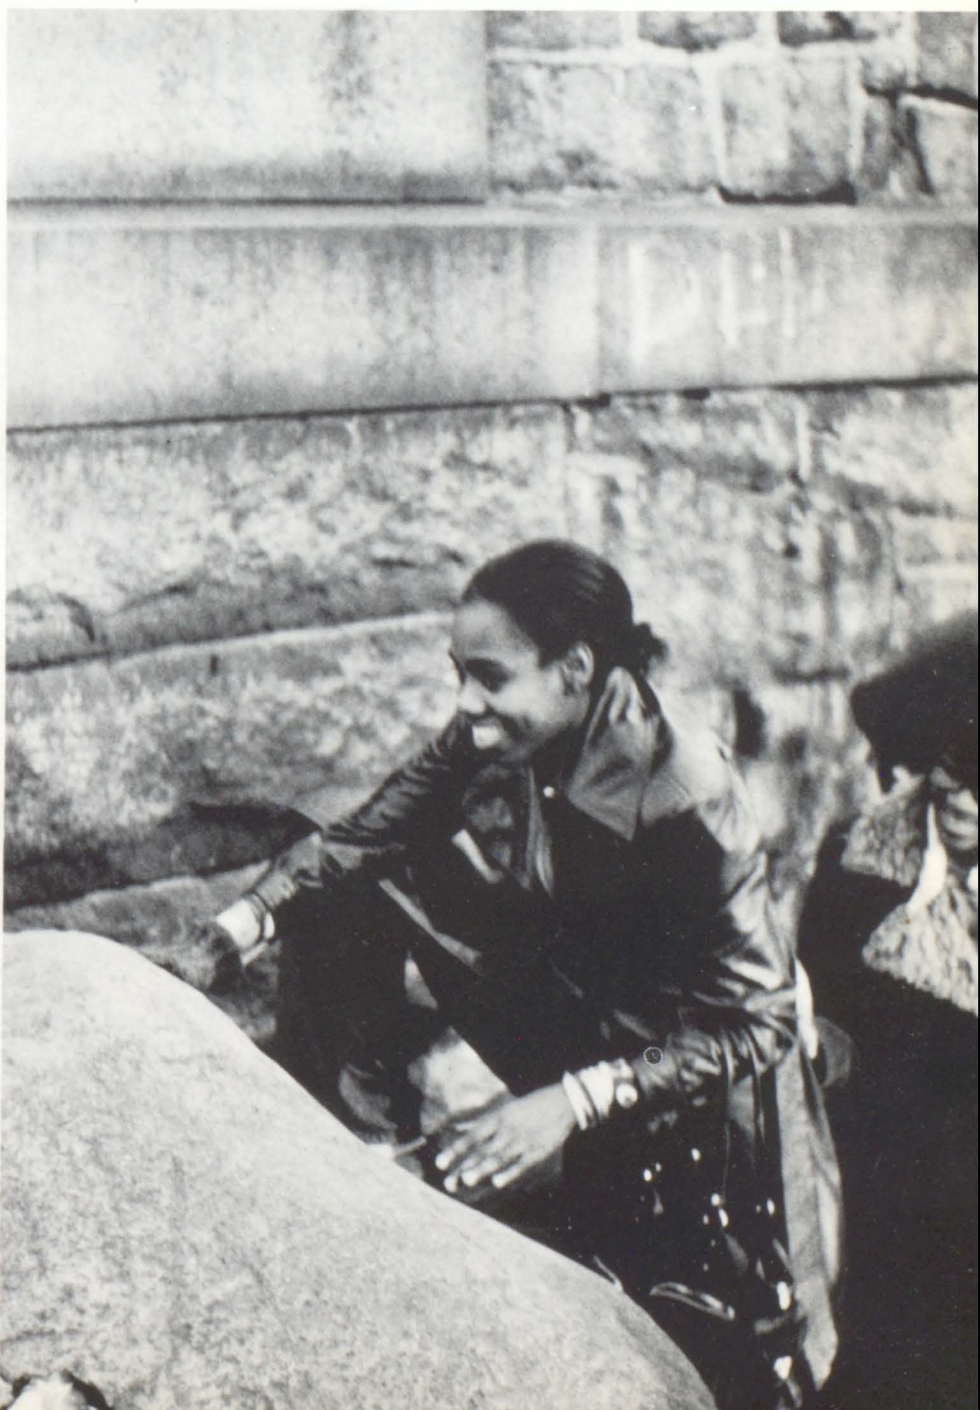

Keep your head to the sky
Believe, follow and know ...

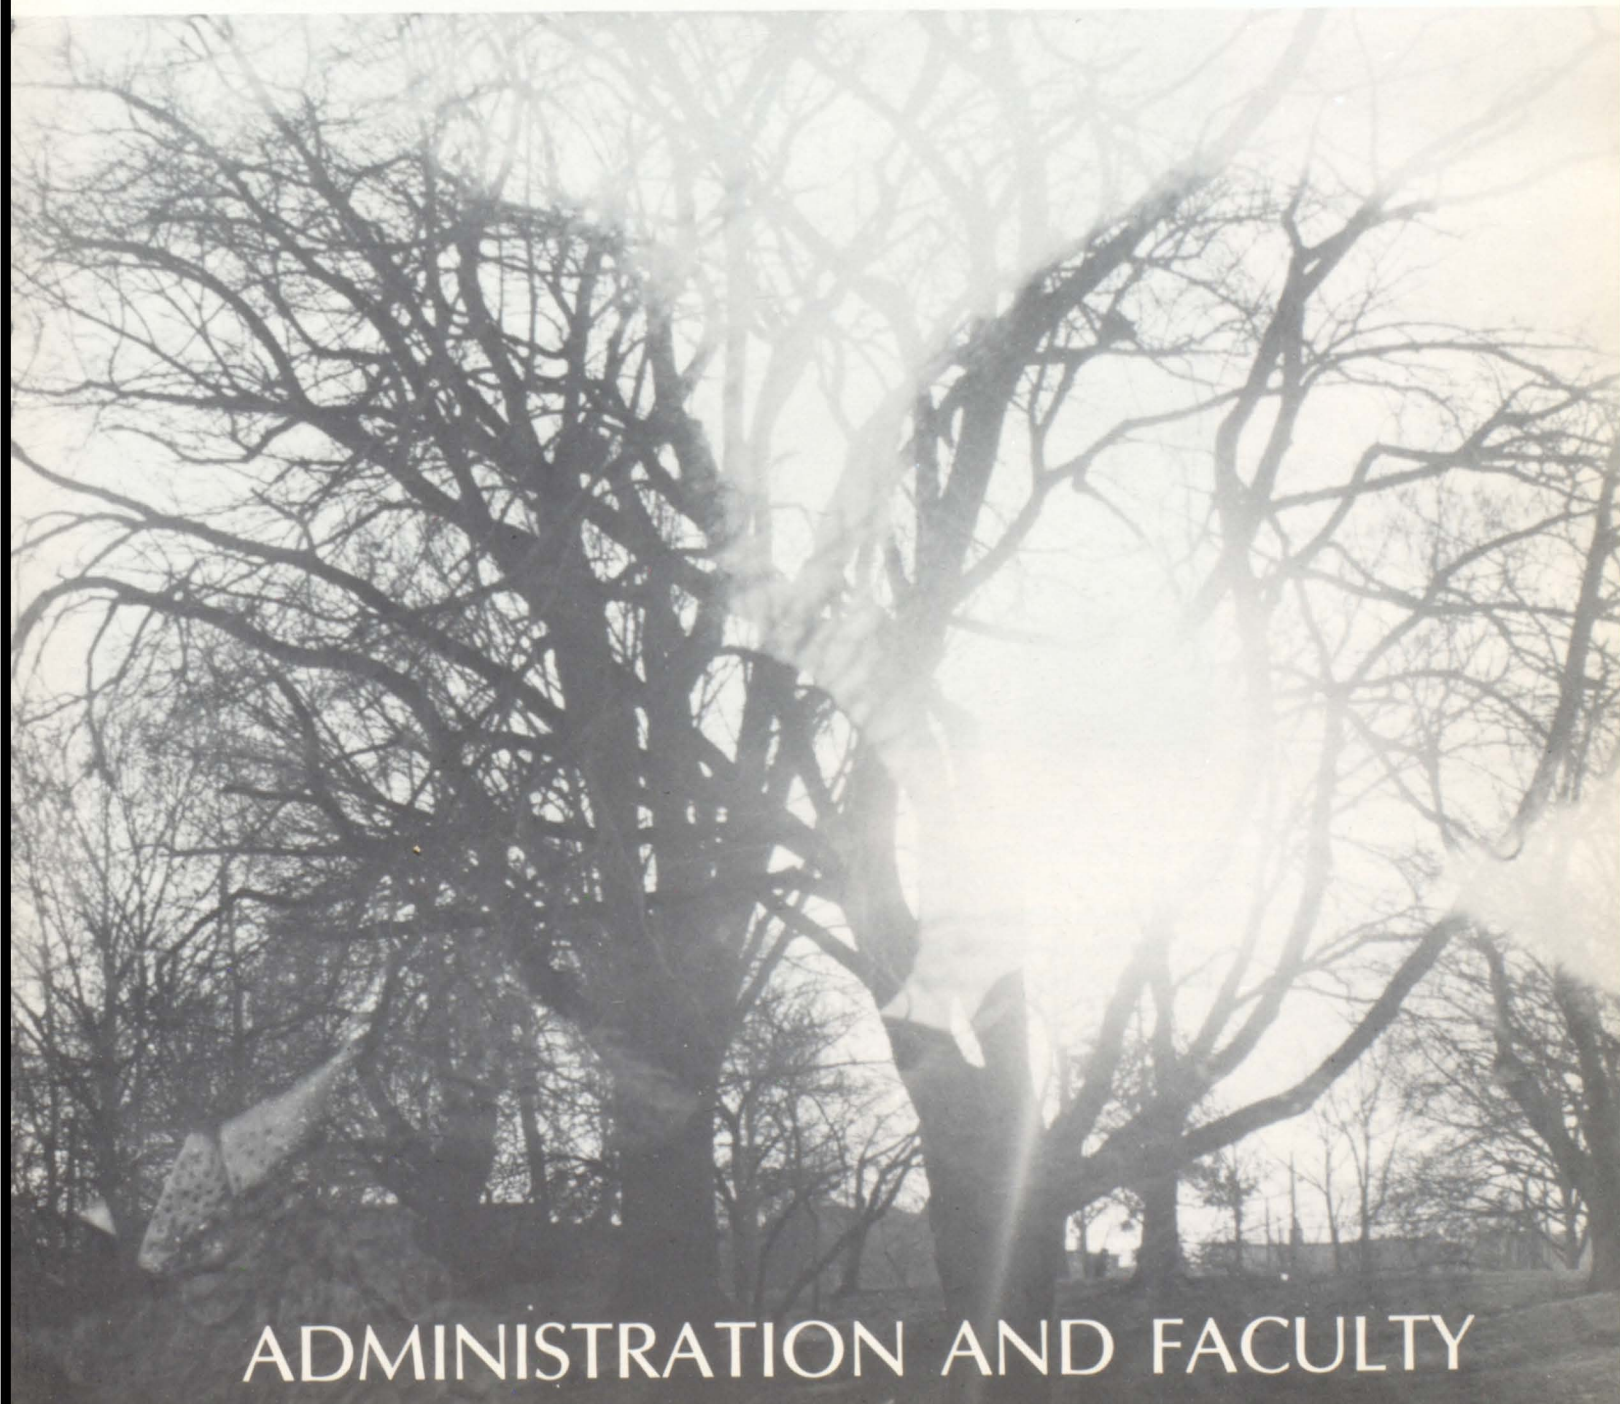

Face upward, forward and
Forget not your brother ...
Don't ever falter or look down.

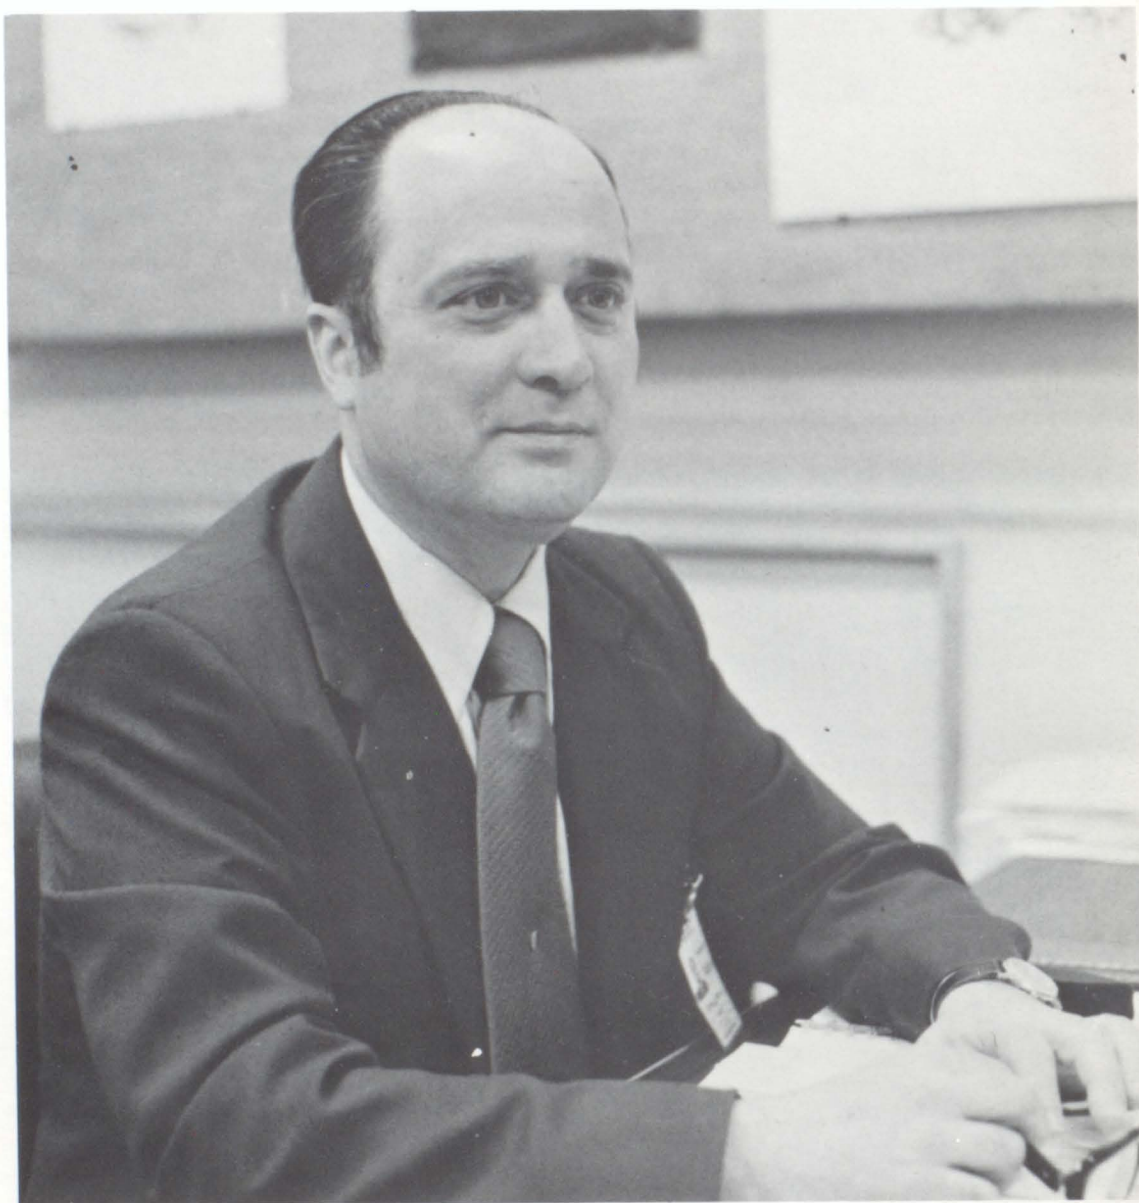

Be like the sun and richly shine.

ADMINISTRATION AND FACULTY

HILTON J. OTERO
Principal

We have let the years go by without commending our principal, Mr. Otero. The Senior Class would like to do so now. Mr. Otero has inspired us to strive for our highest goals and to seek excellence in all we do. We thank him for his dedication to our well-being and for his warm friendship.

GEORGE STEISEL
Vice-Principal

Mr. George Steisel, a member of Arts High's faculty for many years, has been known to us only as our vice-principal. On many occasions he has exhibited to us a great sincerity and interest in our endeavors. We thank him for making our future success and our personal welfare a concern of his.

ALFREDO GENTILE
Teacher to Assist the Principal

Mr. Gentile is known to all Arts High students for his strength and for his great fairness. During the four years that we have known him, he has shown interest in our academic studies, our goals and aspirations, and in us, as people. We appreciate the beautiful job that Mr. Gentile has done and will always be grateful to him.

SENIOR CLASS GUIDANCE COUNSELOR

MR. AUGUST ALAMO
Senior Guidance Counselor

Mr. Alamo, our guidance counselor, has gone beyond the call of duty to meet our needs and wants. His guiding hand has steered us in the right direction toward obtaining our goals. We the class of nineteen hundred and seventy-five thank him for his help and guidance. He will always be remembered.

MRS. CONSTANCE GREENE

Under the leadership of Mrs. Greene, the class of 1975's final years at Arts proved to be most enjoyable and full of accomplishment. As our advisor, Mrs. Greene has gone far beyond the conventional by serving us both personally and academically. She has in her own way en-

riched our lives by giving us a high measure of understanding, determination and maturity. To show our deepest appreciation to her, we wish to strive our best to attain the goals she so ably demonstrated to us.

SENIOR CLASS ADVISOR

Let the love and knowledge within you
Flow forth freely and unselfishly.

**SENIOR CLASS PRESIDENT
BEVERLY RHUNETTE JONES**

"byrdee"

"... you know" ... a sweet, talkative aries who loves to party ... usually seen with beatrice, michelle w, belinda and mable ... enjoys twirling and track ... admires her mother ... enjoyed being president of jr. and sr. class.

**SENIOR CLASS SECRETARY

LUNCHROOM

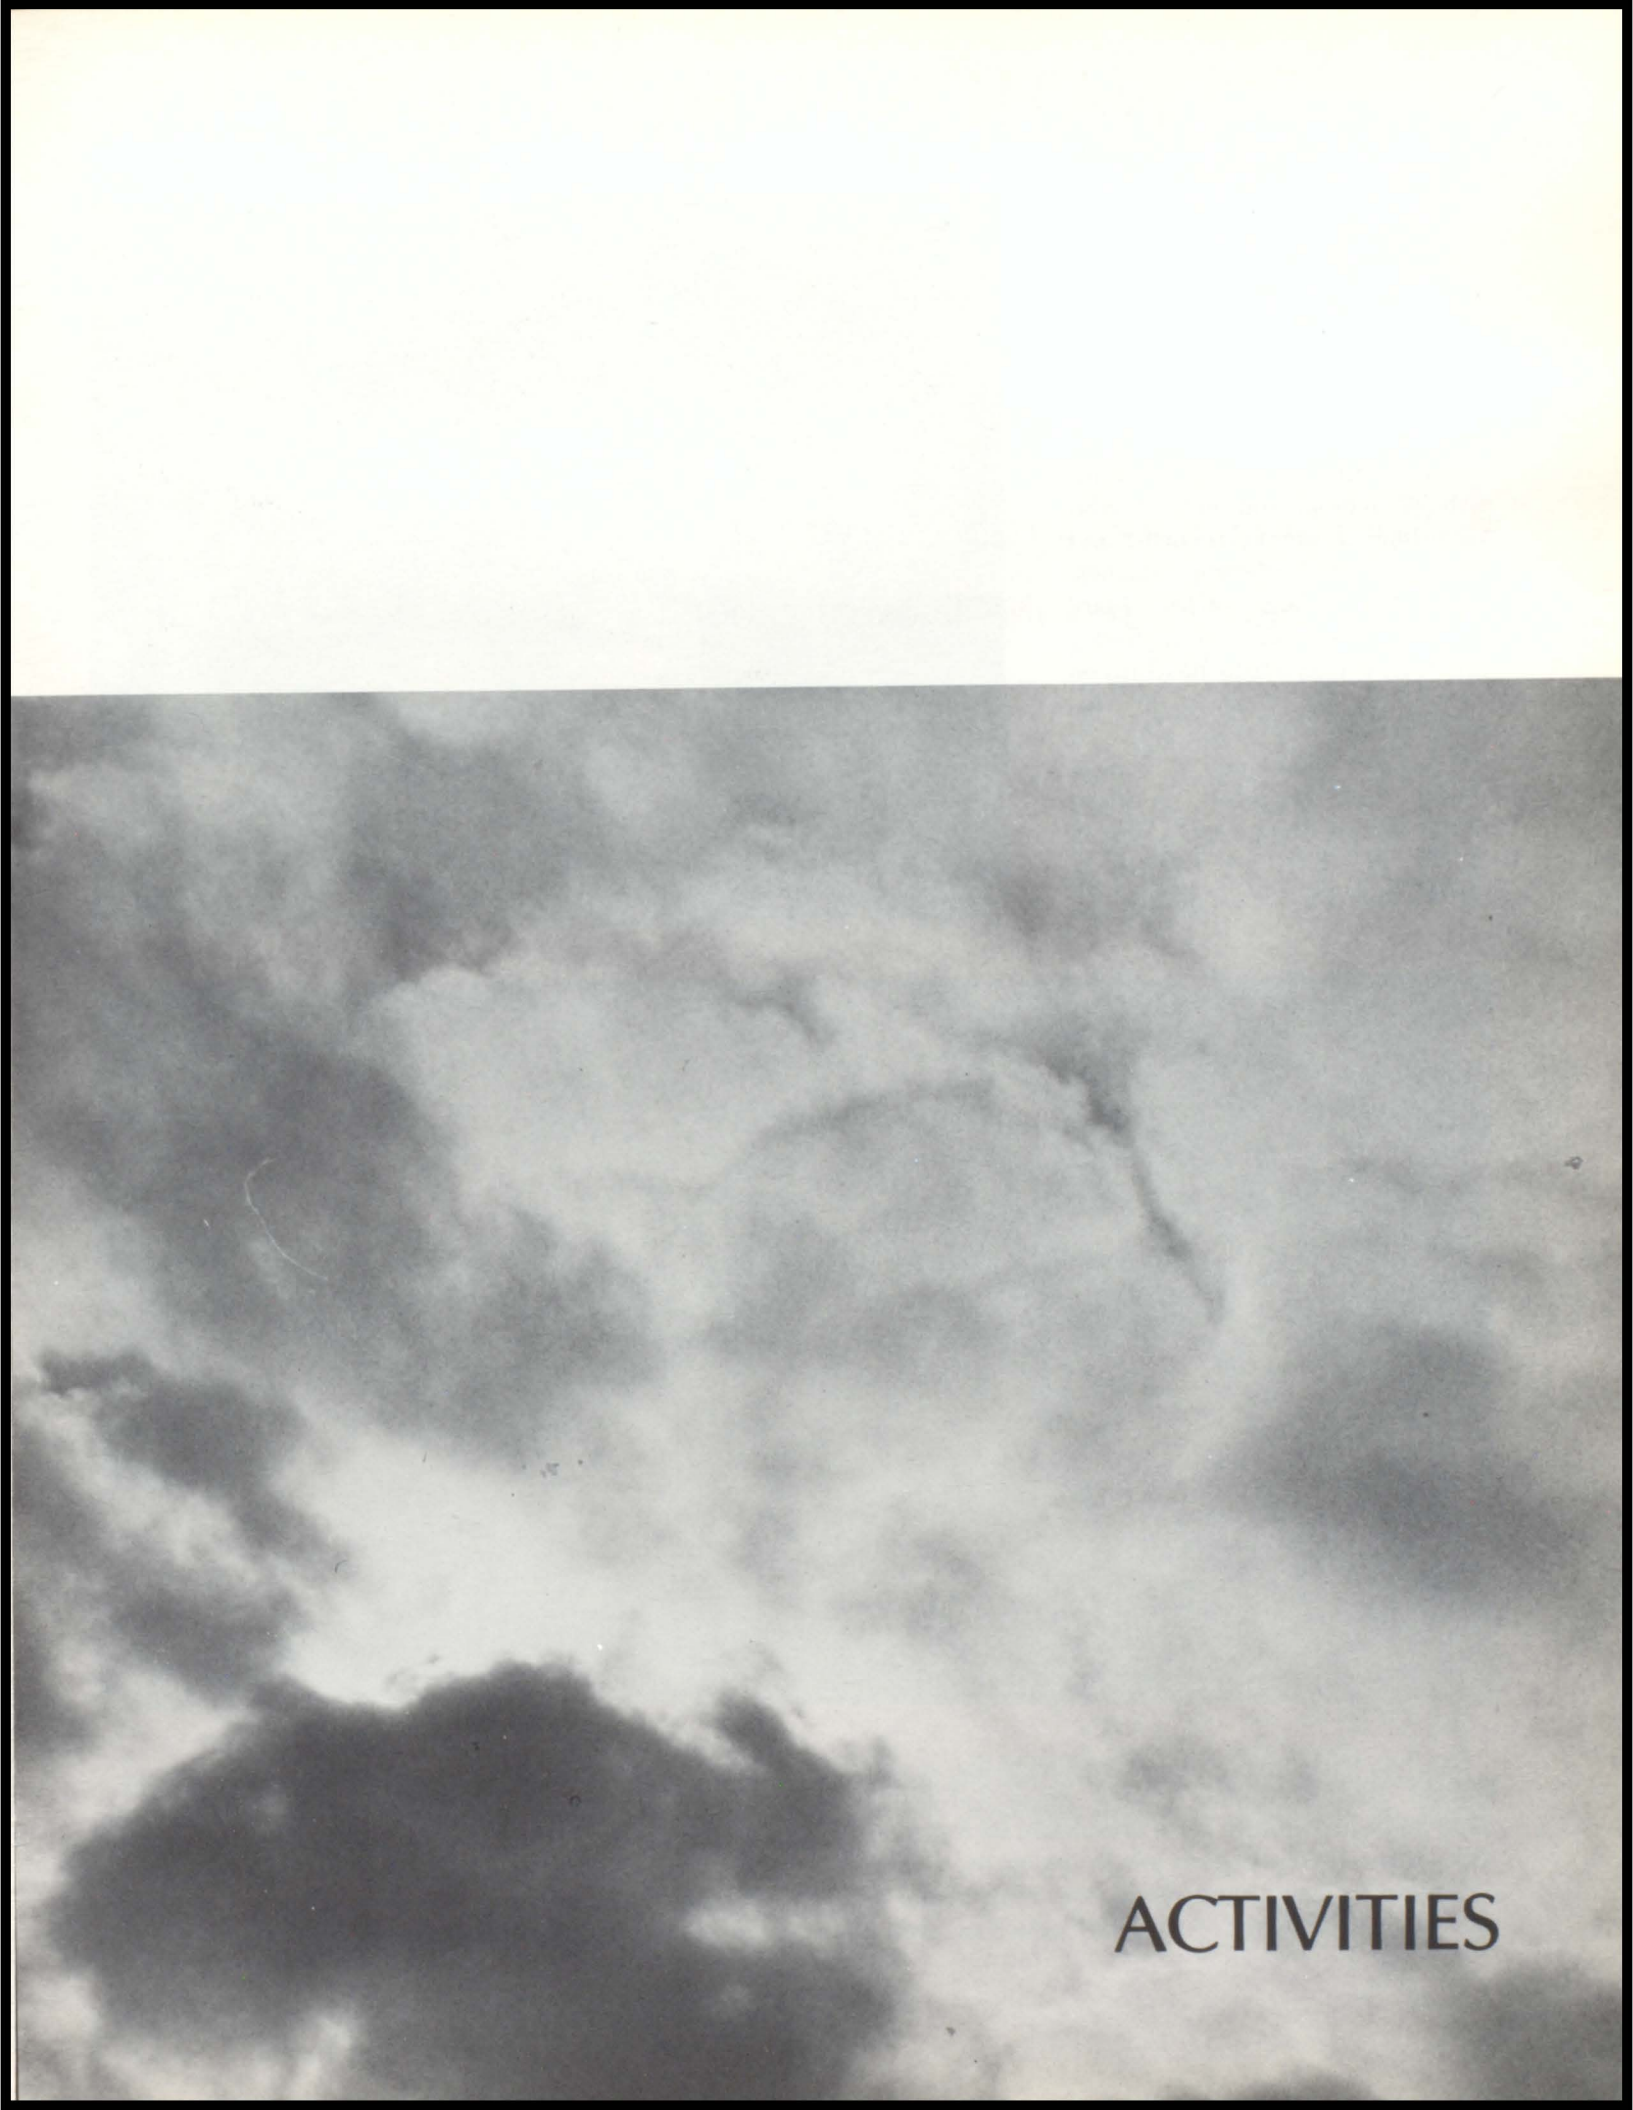

Period 5

Arts High students enjoying their lunch!

Be there

Even in the gloomy cloudiness of life.

ACTIVITIES

NATIONAL HONOR SOCIETY

The National Honor Society consists of seniors and juniors who have high academic records, and who possess leadership abilities. Under the guidance of Mrs. Mary Venskus, this group has devised a tutoring service which has proven to be very beneficial to the students at Arts. The group also aids the Service Committee at school events. Carla Robinson, president of this distinguished society, and all of the members will be greatly missed after their graduation.

This has been one of the most successful years for Student Council. Student leaders Kevin Slater (President) and Isac Durrette (Vice President), with the aid of many others, did a superb job in urging the Board of Education to extend and repair Arts High in the very near future. The duties of Student Council go even far-

ther. The committee for Black Assembly, the scholarship fund, school store, entertainment committee and the service committee fall under the authority of Student Council. Ms. Hollar-Gregory is the very dedicated advisor who has caused Student Council to be as serious in their endeavors as they have been this year.

STUDENT COUNCIL

BLACK ASSEMBLY

The main objective of this interested group of students is fund raising for scholarships which will be awarded to graduating seniors. The recipients must have submitted an essay and must have maintained at least average academic records. They will be picked by a group consisting of students and teachers.

Basketball games and other competitive sports are exciting and fun to watch. Thanks to the energetic spirit of these young ladies, the games are even more full of

life. Along with the Cheerleaders and the spectators, the teams are given that final boost needed to go ahead and win!

PEP SQUAD

SENIOR CLASS COUNCIL

The Senior Class Council is a group of determined students geared to the purpose of carrying out senior class functions. Without the efforts of this group, events such as the Senior Prom, class trip, and graduation would not run so smoothly. Senior Class Council meetings give the students a chance to voice their opinion and participate in the government of the Senior Class.

The Council consists of small groups each governed by its own chairman and co-chairmen. Led by Beverly Jones, president, the Senior Class Council has contributed a great deal toward the success of the senior class.

Members of this hard working committee aid the school at social and formal functions whenever necessary. Acting as hosts and ushers, they add a great deal of warmth to the affairs at which they serve. Their unselfishness has made such affairs as

Alumnae Day, Career Day, Winter Fair and The PTSA Card Party successful. Mrs. Venskus acts as advisor with the help of Chairman, Cyndrell Parrish and Co-chairman, Char-Lai Cummings.

SERVICE COMMITTEE

JUNIOR CLASS COUNCIL

This group of energetic juniors dedicate themselves to the welfare of the junior class and to reducing some of the financial obligations necessary for their graduation and prom. They have mainly been involved with various fund raising events, such as the selling of jack-

ets and pennants and are soon to have a fashion and beauty pageant. Miss Cardella is the advisor. Joyce Perry, Harold Williams, Robin Wiley and Deborah Frazier are the student leaders of this active group.

This group of students advised by Mr. Brasch was formed to study and discuss all aspects of science. They also offer predictions of future developments in the sciences which could help mankind. They have already studied and discussed such topics as tobacco and its relationship to lung cancer, the effect of soda on teeth, and the building of terraria. Pam Hudson and Karen McManus were student leaders this year.

SCIENCE CLUB

STAGE CREW

The Stage Crew, led by Mr. Marcus, performs functions which are essential. The auditorium could never be used and performances never accomplished without the aid of this knowledgeable group of young men.

Mrs. Jeanne Tso and Jacqueline Koonce have put a great deal of time and effort into developing this group into a semi-professional company of high quality. They are in demand for performances in many surrounding communities and in our city, in colleges, secondary and elementary schools and community organizations. The beauty of African culture and the talent and energy of the company are in evidence at all performances.

AFRICAN DANCE COMPANY

ART CLUB

The Art Club is organized for two purposes. One is to give art students the opportunity to work in areas of special interest to them. The other is to learn commercial art techniques necessary to produce a Junior yearbook. Membership is open to all students, art or music, who show a special interest or talent for these activities. This club is sponsored by Mr. Carden.

Under the direction of Derrick Lee and Bobby Dove, the Gospel Chorus never fails to thrill their audiences with melodious sounds of today. The unique and interpretive style of Lance Darden on piano, sends sweet vibrations throughout

each song, and brings to life each lyrical phrase. The Gospel Chorus is a group of talented, hard-working young people, each dedicated to the purpose of spreading happiness through song.

GOSPEL CHORUS

CHESS CLUB

This year Arts High's Chess Club entered the Essex County High School Chess League. The top five players competed against Barringer, St. Benedicts and Central. Due to circumstances beyond our control matches with Irvington, Seton Hall Prep. and West Side had to be canceled. The members became much more serious

about their games due to experience and the guidance of Mr. Thomas Piazza, Advisor and Kevin Lowther, captain. The club is open to all students who want to learn, but the better players are asked to compete with other schools.

This group of young ladies meets and trains for the dance in much the same way as the boys keep physically fit in the gym. They are led by a strong yet kind leader, Alexis Dunlap. All of the young ladies have created dances. The group would like to call themselves "Dimensions of the Mind" since all of the dances created dealt with that theme. Their performance at the pageant was much appreciated.

CHOREOGRAPHY CLUB

FUTURE PHYSICIANS CLUB

The Future Physicians Club formed only this year is open to all students interested in the field of medicine or a closely related career. Members attend lectures by doctors, visit hospitals and military medical facilities to get an overall view of this most intriguing profession. With Lauren Greene as president and Mrs. Venskus, advisor, the future for this active group looks bright.

Under the inspired supervision of Mrs. Venskus, the participants of this club learn the proper preparation and distribution methods of materials for chemistry labs. The valuable work experience obtained as a member of this club

has proven highly beneficial in obtaining employment while in college, and upon graduation. Science students who maintain an average of "B" in their work and who have a deep interest in science are welcome to join.

LAB ASSISTANTS CLUB

The purpose of the club is to expose interested students to the exciting world of photography. Students are taught how to use different cameras, take better pictures and to develop and print them. Mr. Foeldvari, the advisor, is always there to assist anyone who needs his help and to teach anything you want to learn in this fascinating field.

PHOTOGRAPHY CLUB

The Typing Club was formed to give students extra practice in order to develop their typing skills. The advisor, Mrs. Ritter, has also been helpful by assisting students in filling out forms and applications needed for further education and career opportunities. Any student with at least one year of typing is eligible to join.

TYPING CLUB

PHYSICAL FITNESS CLUB

The Physical Fitness Club was formed for young men with a desire to develop and maintain physical fitness and health. Bradford Brown and Albert Alston are in charge of the squad. They practice circuit training, weight training, and body building. Brad and Al, with the advice of Mr. Larry Hazard, are preparing these young men for the Marine Physical Fitness Competition which is held at Roosevelt Stadium in April.

The Varsity Club, advised by Mr. Marcus and Mrs. Jones, is an organization comprised of male and female students who have earned varsity letters in all sports. The goals of the club, led by president Michael Bras-

well, have been to perform academic and athletic services to the school. The highlights of the year include the annual Sports Award Dinner, and a very enjoyable trip.

VARSITY CLUB

CHORUS

Patience and perseverance are qualities which Arts High's Chorus director Robert Howard has instilled in this more than 300 member group. He has dedicated himself to achieving high standards of performance from this large group and a smaller group of 70 within the chorus called the Concert Chorus.

The reputation of this group has caused them to constantly be invited to sing at schools and organizations in our community and in surrounding areas.

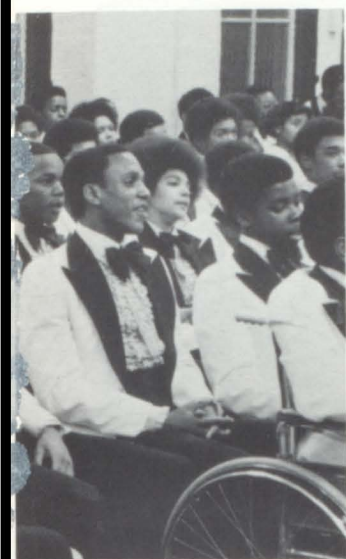

Highlights of the school year were the operetta, "Trial by Jury", and the Winter and Spring Concerts.

BAND

The Arts High Band showed its brilliance and talents in the Winter and Spring Concerts. The adaptability of this group proved to be amazing. They performed such works as Handel's "Water Music Suite", "Overture in Pop-style" by Holcombe and "Variations" by Jager. Despite the loss of a fine conductor, Mr. Reuben Singer (promoted to supervisor), the band was able to continue its high level of performance under the new direction of Mr. Marty Israel.

Exceptional talent and dedication shine through in the performances of Arts High's orchestra. The music played by the students covers a wide spectrum of styles from Beethoven's Fifth Symphony or Brahms' Academic Festival Overture to contemporary sounds by Roberta Flack or excerpts from popular music scores. Mr. Klelis, conductor and Neptune Pringle, student conductor, diligently spend their time teaching the students the correct art of orchestral playing. Assemblies, concerts and special performances make up their impressive schedule, highlighted by Winter and Spring Concerts.

ORCHESTRA

NEWSPAPER STAFF

The Newspaper Staff, headed by advisor, Mrs. Harriet Douglin, and editor, Homer Gooden, is open to all students who have the interest, the talent and the necessary time to devote to this difficult and time consuming activity. Favorite feature is the school information section.

The drama club is comprised of students who are interested in the fundamentals of acting, make-up, and lighting. The members meet twice weekly to practice public reading, performing, and self-expression. Long-range plans for the club include a major production. Neptune Pringle serves as the club's president and Mrs. Levinson as the advisor.

DRAMA CLUB

VIGNETTE STAFF

The Vignette staff is headed by Charon Watson, Editor and Jan Carden, Advisor. The staff is comprised of a hard-working group of seniors who produced what it is hoped will be a memorable record of the people and events that have been part of their life at Arts. The amount of work and time needed to produce this book was monumental. We think it was worth it.

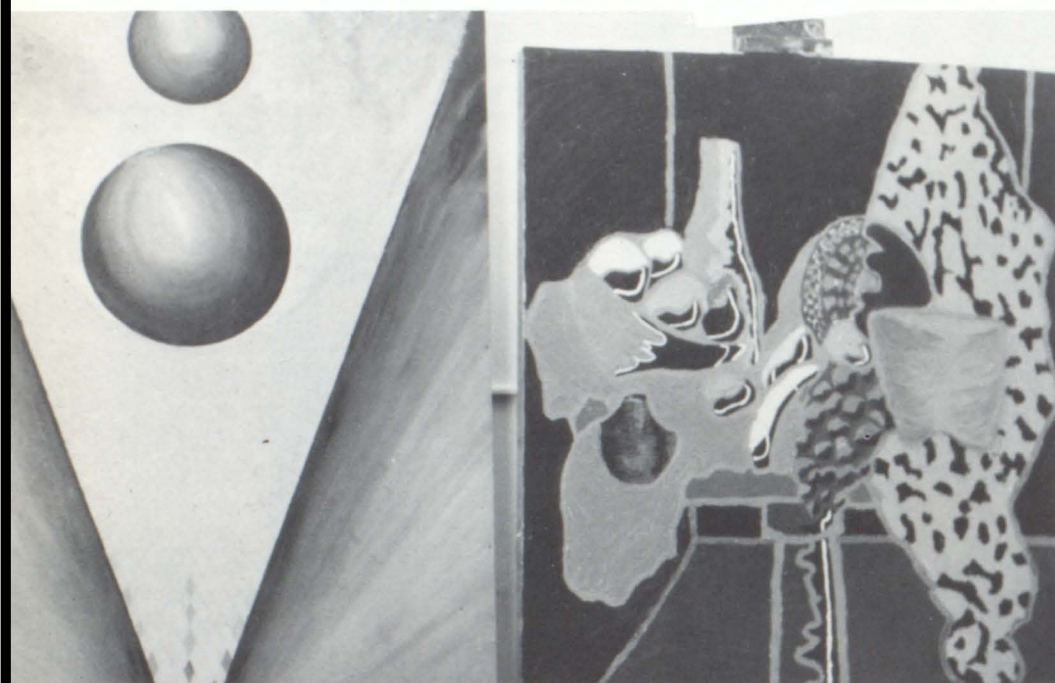

MR. JAN CARDEN

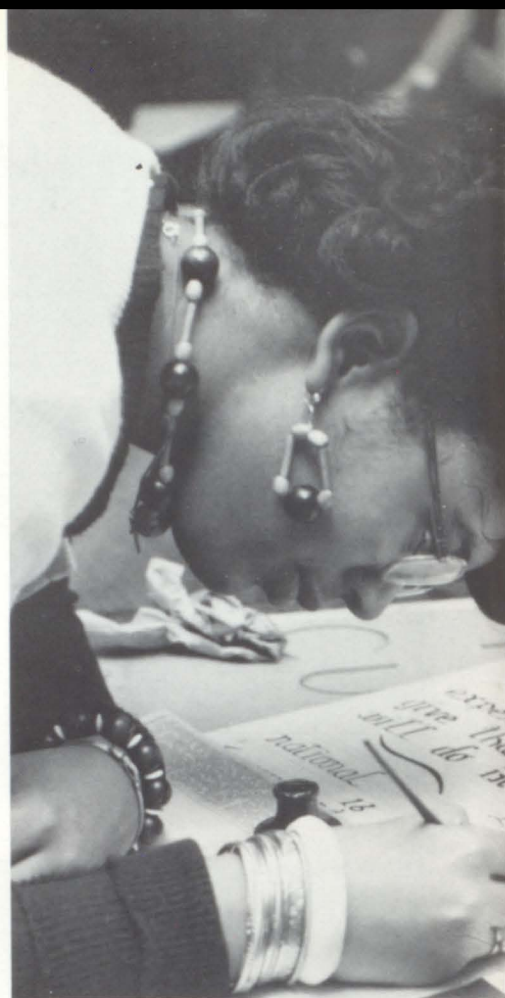

Words cannot describe the help and guidance Mr. Carden has given us during the production of our yearbook. It takes a lot of time to produce a yearbook and Mr. Carden gave a lot of his time and knowledge to the staff in pursuit of a good yearbook. The Vignette staff of 1975 would like to thank him for everything.

Nourish your life and the lives of others.

SPORTS

Arts High's Cross Country Team, third place in the Vo-Tech conference, is headed by coach Mr. Marcus and Michael Copeland, captain. Despite a season record of 1 and 8, the team competes well and is comprised of highly competitive members such as seniors Daryl Brooks and Bradford Brown. Any male or female of the student body who is athletically motivated may participate on this team.

CROSS COUNTRY TEAM

SOCCER TEAM

Darrell Wade

Ricardo Sifontes

Rennard Baskerville

James Graham

Reggie Smith

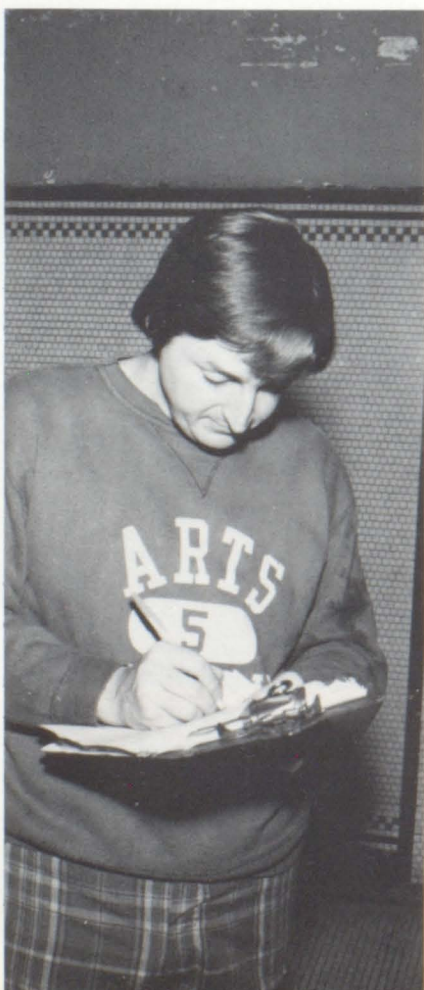

Lawrence Jackson

The Soccer Team, coached by Mr. Alamo with the great help from Darrell Wade and Albert Alston, finished the season, with a record of 5 wins, 6 losses and 2 ties. Though defeated 2-1 by East Side, last year's Champs, our team still dominated Newark Tech, West Side, Weequahic and Central.

The Swimming Team, coached by Mr. George Landers, won nine meets and lost only three this season. They finished second in the city finals. This was a fantastic accomplishment since Arts has the smallest team. They obviously are a hard working group. Keith Morrison, Anthony Clark, Jerard Dickinson, Harold Showers, Albert and Wayne Harris and the rest of the team should be congratulated.

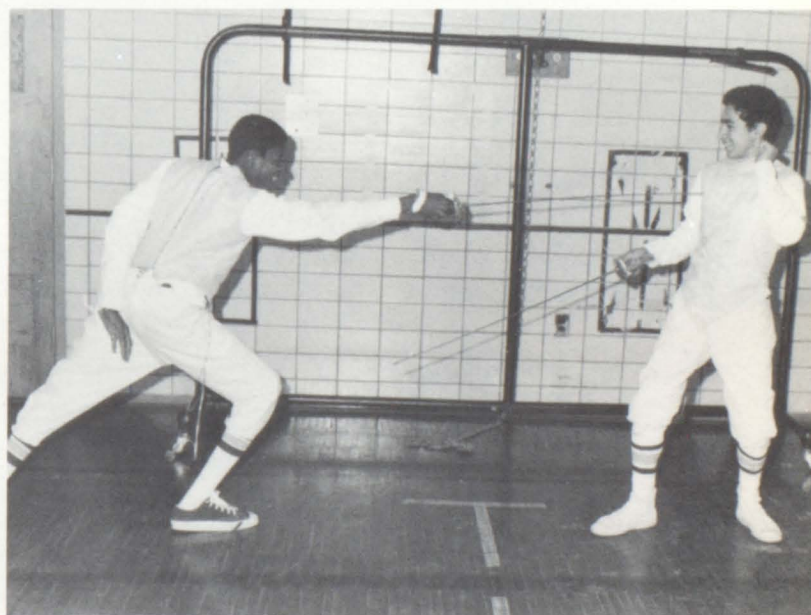

SWIMMING TEAM

FENCING TEAM

The Fencing Team is looking forward to next year, after completing a rebuilding season. The team coached by Mr. Liput finished with a record of 2 and 12. Practices are held at Broadway Elementary School, and are open to any student who shows interest and ability. Darry Jennings is the captain of this team.

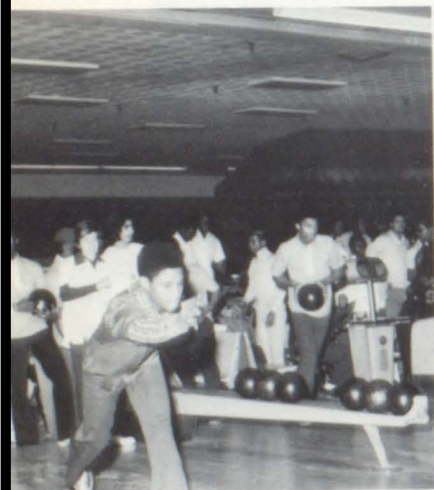

BOWLING TEAM

The Bowling Team under the direction of Mrs. Lola Jones had a great season. They held first place all season until they were defeated by Weequahic on the last two days of the season. Steven Jenkins won a trophy for high series in Group I. Harriet Mervin won in Group II. Kevin Lowther, Mark Janifer and William Thomas each had at least one game of 200 or more. The students demonstrated a tremendous drive to win during the season. They and Coach Jones are to be congratulated for their outstanding achievement.

Daryl Moore

The Arts High Basketball Team, led by Marc Davis and Clarence Gathright had an extraordinarily good season. Davis, Gathright, Richard Wilson, Jeffrey Dunn and Sophomore Kevin Giles were the "starting five" who made the victories over West Side, Newark Tech and St. Benedicts as exciting as they were. The many Arts students who attended the home games at Broadway Jr. High helped cheer the team to victories. Coach Alamo and his great team should be congratulated for winning 13 out of 18 games!

VARSITY BASKETBALL TEAM

GIRLS' BASKETBALL TEAM

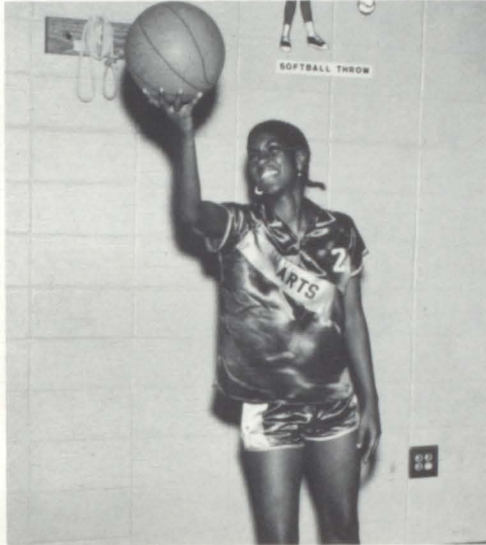

1st row: Tammy Gilbert, Cathy Simmons, Gail McClary, Gwen Austin, Kathy Jacobs, 2nd row: Sharon Fisher, Wanda Bland, Sherita Randolph, Bonita Ruben, Top row: Ms. Lucas, Kym Carter, Annette Lumford, Bridget Bethea, Stephanie McGregor.

TENNIS TEAM

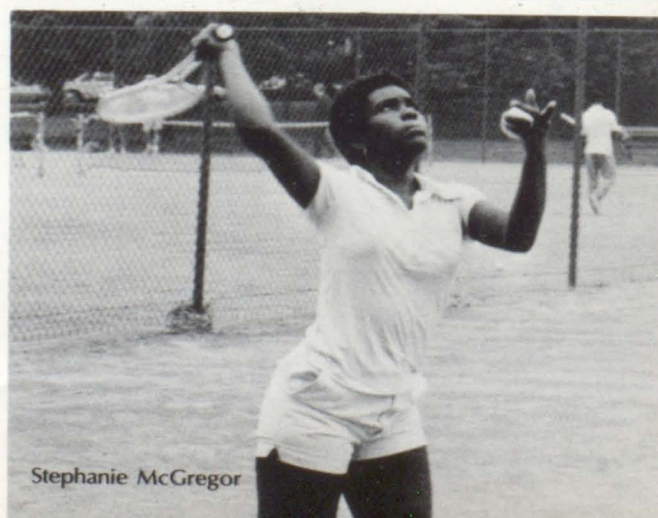

Kevin Slater, Ronnie Wingo, Stephanie McGregor, Coach O'Neill, Bradford Brown, Rodney Pate.

With the enthusiastic guidance of a new coach, Mr. Dessasau, the Tennis Team of 1973-74 had a very respectable season having a total of 10 wins and 8 losses. Luckily, there will be several outstanding players who will be remaining to play during other seasons.

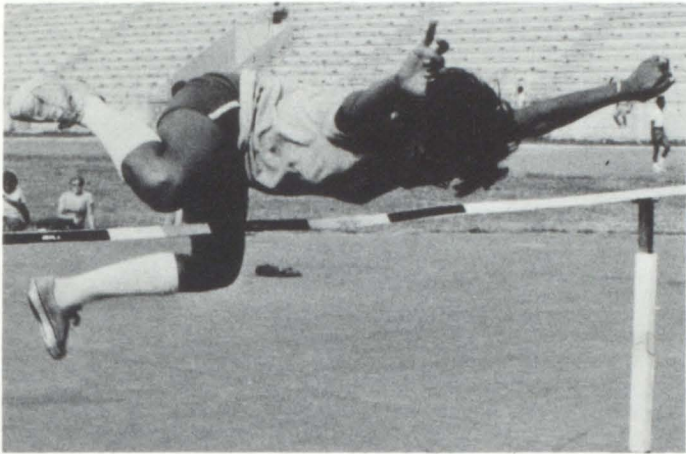

Brad Brown

Stephanie McGregor

Valerie Hayes

Under the skillful coaching of Mrs. Shirley Lucas, the Girls' Track Team has grown to become one of the finest in the city. Last season's record was an out-a-sight 6-1! Seniors Nanette Mason and Beverly Jones earned gold and bronze medals respectively in the 50 yard dash. Valerie Hayes won a bronze medal for high jump. Other outstanding performances helped this group to place 3rd in the city meet. Keep up the good work!

Ray Alvarez

The Arts High Baseball Team had a very disappointing season in 1974. Many of the outstanding players had graduated. In the rebuilding process, there grew a great togetherness which can only be a good thing. The team is anticipating a much better season in '75. Best of luck to them.

BASEBALL TEAM

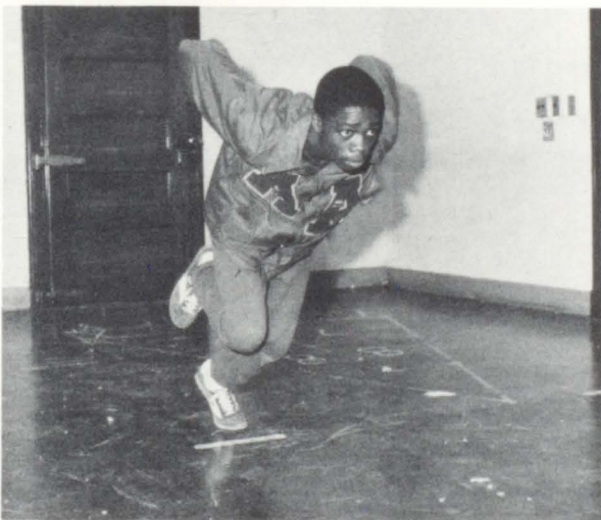

Kneeling, left to right: Percell Smith, Mike Copeland, Darryl Sumter, Brian Head, Keith Towe, Clemon Cutliff, Dwight Davis. Standing: Mr. Marcus, Gary Harrell, Darrell Wade, Donald Jordan, Darrell Cox, Tommy Cox, Leonard Averett, Hershel Phillips and Mark Means.

TRACK TEAM

Arts High's Outdoor Track Team, under the leadership of Mr. Marcus, concluded the 1974 season with a 4-4-1 record. This year's outstanding participants; Steve Kelly, Darrell Wade, Darryl Brooks, Renard Baskerville, Steve Bethea and Mike Copeland were a real help in leading the team to a third place spot in the city and Vo-Tech meets. The Indoor Track Team had a less successful season. They were a hard working and sincere group.
